Dear Parents and Teachers,

A warm welcome to each and every one of you to Tanarata's new academic year!

Allow me to tell you a little bit about the TCC.

The Tanarata Community Club (TCC) is an all-volunteer club and was formed with the aim of assisting and supporting the school whilst promoting goodwill and cooperation amongst its students, parents and teachers. Together, we work towards the betterment of the students and community at Tanarata.

The TCC Executive Committee holds six portfolios, namely School Events, Fund Raising, Community Service, Social Events, Reading Support and Special Needs. Throughout the 2105/16 academic year, the TCC has organised numerous fundraising events for charity and community service and assisted the school whenever called upon. The TCC also recruits parent volunteers to provide reading support for any year 1 or year 2 student requiring it.

We also organised a lovely Teachers Day lunch for all the hardworking teachers to show our appreciation for them and what they do. We capped our activities for the year by hosting a mini carnival for all the students of TIS. Boy, did we all have loads of fun!! It was definitely a day to remember and the students had a grand time! The smiles on their faces were worth all the hard work, time and effort!

Every year, we elect a new committee at the TCC general meeting. This year, the AGM is scheduled to be held on 15 October 2016. I hope parents will come forward to be involved and help the community by volunteering themselves as committee members. I believe that new ideas and talent are always appreciated and will invigorate the community. The TCC Rules and Regulations are available for viewing on the school's official website. Nomination forms are attached and should be filled and returned by the due date stated on the form.

It has been a privilege and an honour to have served you as Chairperson of TCC. Let me, at this point, take the opportunity to sincerely thank the extremely hardworking and dedicated committee members for their tireless efforts. A big thank you too, to all the parents and teachers who have supported and helped us throughout the year in one way or the other.

Last but definitely not least, heartfelt thanks to our Principal Mrs Guha, for her always unwavering support of the TCC and its activities.

Thank you all.

Your sincerely,

For and on behalf of the TCC,

Shobana Sivalingam

Chairperson of TCC Executive Committee
