

1st March 2017

Dear Parents and Students,

Sports Day this year was held on the 26 Feb, Sunday as a culmination of all the trials and practise rounds conducted earlier in school. The day were a celebration of speed, agility and team work as all the houses worked to put points on the scoreboard. It was an event that was well attended by students and parents and I am truly happy to see that overall parents are interested in the all-round development of children.

However, it is not all fun and frivolity throughout the year. Trial examination for our Year 11, 12 and 13s has just begun for they would be sitting for their IGCSEs and A level exams soon. The rest of the school too would be commencing with their second term exam in three weeks' time.
