

Dear Parents, Guardians and students,

All around the world, many schools are beginning to open their doors to students, albeit with restrictions and precautions. We too, in Malaysia are waiting eagerly for a similar announcement as the CMCO comes to an end on 9 June.

### **TiS Parents Survey on Term III Exams**

While we await further guidance from the Ministry of Education, I would like to do a little survey amongst our parents. During the last virtual meeting we had with the TCC committee members, some concerns about the children being back in school had been expressed. We are hoping that students might be able to come back to school by the end of June or early July, just in time for our TERM III examination. If the school is able to take all precautions as per the ministry guidelines, will you be willing to send your children to school or would you still have concerns?

Please fill out the short survey below so that we are able to better understand your concerns. The survey will be open till **Friday 10:00 am**.

<https://forms.gle/AcTaXCazRnvCEo7F9>

I would appreciate it very much if you would spend a few minutes of your time to fill it up. We can then plan our term III exams based on these and MoE guidelines.

### **Hari Raya - Virtual Assembly**

We have always believed that education and development of children in schools should be in all dimensions and not solely academic. Keeping that in mind we would like to celebrate Hari Raya with a virtual assembly on **Friday, 5 June 2020**. Students have worked alone and in groups have sent us several performances expressing their creativity. We will be selecting a few and will upload it on our fb on Friday morning for all to view. Students may dress up in traditional wear if they wish, on that day.

## **Agong's Birthday - 8 June 2020**

The Agong's Birthday holiday has been changed from 6 June 2020 (Saturday) to **8 June 2020 (Monday)**. Hence all online classes will be suspended for that day.

## **Admission for our Year 1s (AY 2021-22)**

As the school closed in March and the subsequent MCO we have not been able to start our new admissions process for September 2021. Some of you with little 5 year olds may be wondering why we have not responded yet to that. We are waiting for the MCO to be completely lifted before we commence with our selection process. You may spread the word amongst your friends and family that admissions for the fresh intake will start the moment MCO is lifted. Meanwhile they may download the forms from our website and submit it via email.

#StayHome #StaySafe....Till the MCO is lifted.

Best Regards,

Barnali Guha
