

3rd November 2017

Dear Parents

Update on the Comic Con Carnival!

You would have received our invitation for the carnival that is happening on **10th November**, Friday. Preparations by the teachers and students have been ongoing. This year all the *transactions for the food and games will be in cash*. Every class has received a small principal amount to start off the project. Any profit they make will be theirs. It may then be used for a class trip or camp. Some classes have done bakes sales and car washes to generate some extra money for their games stalls.

Events like these encourage students to work in teams and be creative! Thank you for being a supportive community.

On that day, students should come in as usual in the morning to set up, but we will begin at 10 am. Years 1 and 2 may come in with their parents just in time for the Fashion parade. Our Carnival will begin with the little ones walking into the MPH to the beat of music.

Here is a brief outline of all the other games and events that have been lined up for you. So please do come in to support your children. Friends and family are welcome to join in the fun.
