

7th Nov 2019

Dear Parents and Students,

Hope you had a pleasant mid-term/Deepavali break. We came back on Monday and have been diligently preparing for our Deepavali celebrations in school. We are having a **special assembly tomorrow to mark the occasion. Parents are most welcome to attend the function.** Students may come in festive traditional attire to mark the occasion. Classes will resume as normal after the assembly. The TCC has supported us in this event by setting up a Henna corner and by putting up performances for our assembly tomorrow. Ladies, thanks much for all your time and effort! We are truly grateful.

Extension of ECA for this term

Extra-curricular Activities were heavily impacted this term due to the haze. Once we started of with or ECAs we have been making up for lost time starting 15 minutes early. Yet we are a week short of the time period allocated for ECAs. Hence we have decided that we will extend ECAs by another week till 22 November 2019 (Fri).

Christmas Carnival - Around the World

Planning has already begun and we are eagerly looking forward to main event of the term, the Christmas Carnival on 13 Dec, Friday . This year, the students in the secondary have been allocated a country or a region for them to research on and them to put up exhibits and performances accordingly. Food Trucks, ice cream vendors, pop-corn sellers will be around to satisfy your stomach. Students have already started planning for dances and show. Please stay tuned for further updates regarding this matter.

That's all we have for now. Thank you.

Barnali Guha
Principal
