

9th December 2019

Dear Parents and Students,

Christmas Carnival -Around the World

Term I of Academic Year 2019-20 is almost over and we have planned a big carnival to mark the end of the term. Students, teachers and parents have been eagerly setting up decor in and around the school building for the event. The sale of coupons (each booklet is for RM15/-) has commenced through the class teachers. All sales for food and other items will be for cash only. The coupons are to be used only for the games booths that is being set up by the secondary students. Please support them as all the funds generated will eventually be used by our students for their class trips.

The program has already been sent to for this event. Please ensure that you are in school well before 9 am.

Students down with Flu

Lately we have noticed that quite a few students have a dry cough and slight fever but the continue to be in school as exams or on. Influenza is highly contagious in this warm and wet weather, please take all precautions and keep away from school for a few days if your symptoms persist.

Sports House T-Shirt

You would have noticed that Fee invoice for Term II had two additional items to it. In order to make collection easier we have added the class photograph as we all the Sports House T-Shirt cost to the invoice. Please fill out the attachment to the email and return to your child's class teacher by Thursday, 12 Dec so that we may process our T-Shirt order over the holidays.

The schedule for the class and individual photographs will be informed in term II after the professional photographer confirms the dates with us.

That's all we have for now. Thank you.

Barnali Guha

Principal
