

2nd March 2020

Dear Parents and Students,

We have just completed our Annual Sports which despite the rain that came towards the end of the event, could be deemed very successful as we had the support of all our community members. The turnout for the event was excellent! We are grateful for the generous donations from our community members for the drinks for our students as well as the canned drinks that was sold by the TCC for the fund raising. Please find attached the list of parents who contributed towards the drinks. Grateful also to the parent volunteers in the TCC who give up their precious time to help with food sales for the fund raising.

Visit to French School (LFKL)

This year our students studying French in Years 5, 6 , 7 and 8 will be visiting LFKL in Segambut, KL on **19th March** . This program has been ongoing for the past few years but this is the first time our students will be going over to the French School. A lot can be gained when students of different countries meet and learn about each other's culture. The parents on the students concerned would have received the Parents' Consent Forms for your signatures.

Earth Week Celebrations in Tanarata

Our Academic calendar is decided much in advance and is packed with activities aimed at inculcating positive values within the students and lead to a holistic development of their personalities. In conjunction with the Earth week celebrations in school, to be held in the 3rd Week of March, the students will be engaged in various activities, presentations and awareness programmes. Here is the list of planned events for the week.

Talk on Hygiene for Primary Students

Putra Specialist Hospital Kajang will be sending their paramedics over to our school on **4 March (wed)** for a talk our primary students on how to wash their hands and how to wear a mask. Our students will also have an opportunity to see the inside of an ambulance. This is extremely important at this point in time as Covid -19 cases are on the rise. It can only be curbed with proper hygiene.

Venue : Outside Primary block

Year 1 to 3 - 8 to 9 am.

Year 4 to 6 will have theirs on the same day from 9:30 am to 10:30 am.

Trial Exams for our Senior Year 11 students are currently in session as they prepare to sit for their school leaving IGCSEs in May-June 2020.

That is all for the day.
