14th June 2022,

Dear Parents,

We would like to extend our gratitude to all the parents who sponsored and volunteered during the Hari Raya celebrations, it was indeed a great success.

We now have the 4th annual soccer tournament on Saturday the 18th June at the TiS grounds and you will see us assisting the school and also selling food and drinks as part of the fund raise. We request parents for your generous sponsorship of canned drinks and water for the TiS soccer team and also for the TCC to raise funds.

Kindly drop off the drinks at the school office anytime during the school hours. Thank you all for your support in advance.

Yours sincerely,

For and behalf of TCC

Vidhya Aratish.
