

Dear Parents and Students,

We received a directive from the Ministry of Education at the end of the school day today that all schools in Selangor will have to close for two days this week. Please see the link to the news article below.

Following this directive, we have no choice but to switch to online learning from tomorrow onwards for all our levels until further notice. Students who are sitting for their IGCEs may use the travel letters issued earlier as well as their Electronic Statement of Entry if they experience roadblocks on the way to school. Parents may wait in the cafe for the exam to finish so that students can return home after the exam.

We have also been informed by a couple of parents that two of our students may have been in contact with COVID-19 positive cases. They have gone for their RT-PCR tests. We will update you if any action needs to be taken on this matter.

Best Regards,

Barnali Guha
