

29th June 2021

Dear Parents and Students,

As Malaysia continues to have high number of daily Covid cases, we remain in full movement control order indefinitely. We can only hope that the numbers will eventually go down and simultaneously herd immunity through vaccination is achieved by the time schools are allowed to reopen. We are hoping that the governments proposed plan to reopen schools by September 2021 will coincide with our next academic year and we may reopen physically.

This continuous school closure has been so upsetting for many of our students. We understand the challenges that young minds have had to face since last March. There is growing global evidence of the impact of school lockdowns on children's and adolescents' emotional distress and mental health. Never before has there been such appreciation of the value of schools as sites for academic and social learning, but also as settings which can enhance student health and wellbeing. Parents have to make an extra measures to reach out and help their children cope with these unusual pressures.

Parents Teachers Meet Term III (30 July)

Teachers have already begun assessing students. Another round of online assessments and quizzes will begin on 5 July. You would have received the schedules for that on teamie.

At this point it looks that our PTM for the Term III exams will have to be held online on 30 July 2021. If the SOPs allow for physical PTM, parents will be invited to school with an appointment. We will send you google meet links later.
