

Dear Parents, guardians and students,

As we approach the end of term, I wanted to take this opportunity to update you on some important upcoming events.

Term III Exams for AY 2023-24

Please note that exams for all year levels will begin next week on 19 June. We encourage students to get a good night's sleep and arrive at school well-rested for their exams. A detailed exam schedule has been sent to all students through their class teachers.

Our Year 11 students have just finished their school leaving examinations. A gala ceremony that includes a graduation has been planned for them. This will be held on 22 June at Le Meridian, Putrajaya. We wish them all the best as they move on for their next level of tertiary education.

Upcoming Class Trips and other End of Year Activities

Year 10 Class Trip

- Following the completion of exams, Year 10 students will embark on their much-anticipated class trip to Pulau Kapas! We are confident this will be a rewarding and enriching experience for all participants. Further details about the trip itinerary and chaperones have already been communicated directly to Year 10 parents.

Year 4 & 5 Beach Clean Up

- On Friday, June 28th, Year 4 and 5 students will participate in a beach clean-up activity at Port Dickson. This activity has been pending as is part of their Earth Week Activity. This is a fantastic opportunity for our students to learn about environmental responsibility and contribute to a cleaner environment. Geography teachers have discussed the importance of responsible waste disposal with their children in preparation for this event. Permission slips and additional information for the beach clean-up will be sent home with students shortly.

Interhouse Games

The interhouse games for football and volleyball Div, A to C will be held after the Term III exams. We rescheduled this to after exams as we noticed many students had trouble arranging transport after school.

Annual Prize Giving Day and PTM

Mark your calendars, please! Our Annual Prize Giving Day will be held on **Friday, July 5th**. This is a special occasion to celebrate the academic achievements of our students. The ceremony will be followed by a **Parent-Teacher Meeting** where you will have the opportunity to discuss your child's progress with their teachers and collect their transcripts. More details about the schedule and logistics will be communicated closer to the date.

Term I Fee Invoice for AY 2024-25 and Other Matters

A gentle reminder that invoices for Term I of the next academic year will be sent out via email on Wednesday, June 19th. Please keep an eye on your inbox and ensure the prompt settlement of fees to avoid any late payment charges.

In the next couple of weeks, we will be sending out the booklist for the new academic year, along with information on how to purchase the required textbooks and materials. This will help you ensure your child is well-prepared for the start of the new term. A few parents had enquired about the school jackets in the last month. We now have fresh stock available. Please contact the admin office for the same.

A gentle reminder to all parents; we still have spaces available in our lower primary classes. Please do spread the word amongst your circle of friends.

Please be informed that we are in the midst of upgrading our telephone lines, and parents may contact us using the following methods for now:
