

Dear Parents, Students and Guardians,

We hope this newsletter finds you well. We have some exciting updates to share about our recent developments in school.

Transitioning to Google Classroom

To enhance our students' learning experience and streamline communication, we are transitioning from Teamie to Google Classroom. This platform offers a more robust set of features, including increased integration with other Google tools, improved organization, and enhanced parent-teacher communication. We believe that Google Classroom will provide a more effective and efficient learning environment for our students. We understand a few parents may have some questions regarding the usage of Google Classrooms. As such we will be having an online session this Friday - 27 September.

Google Classroom for TiS Parents:

Date: Fri, 27 Sept 2024

Time: 11:30 - 12:30

Venue: Tanarata International Schools, TiS @ Planters Grounds, 3 1/2 miles, Kajang Serdang Road, 43000 Kajang, Selangor, Malaysia

An introduction to Google Classroom, the meeting is aimed at addressing concerns and issues parents have so far faced with GC as well.

Circus Carnival Extravaganza -11 Oct, Friday 3pm onwards

Get ready for a thrilling and unforgettable experience! We are excited to announce our upcoming Circus Carnival Extravaganza. This event will feature a variety of exciting performances, games, food, and fun for the whole family. Mark your calendars and join us for a day of laughter, excitement, and community spirit. We will be commencing with the sale of coupons (each of RM 20) soon.

There will be no lessons on that day. Students will be advised on when to arrive in school for preparation of games stalls and performances. There will be no ECAs also on that day as well. This will be rescheduled to another day to compensate for the missed activity.

School Entrance Off Silk Highway

We are pleased to announce that work has begun to improve the entrance to our school. This project will enhance the overall appearance to the entrance of our campus and create a more safe and inviting atmosphere for our students, parents, and visitors. We anticipate that the project will be completed by the end of October. Your patience is very much appreciated while the upgrading work is ongoing.

Cafeteria Meal Plans

We are now offering a variety of cafeteria meal plans to accommodate the different needs and preferences of our students. Due to the upcoming Circus Carnival Extravaganza and mid-term break, there will be no meals provided on those specific days. For the remaining 18 school days in October, we are pleased to introduce a new "economy rice" concept for our cafeteria meals. This system will offer a variety of dishes from which students can choose, providing more flexibility and choice.

The meal plan costs for the month of October are as follows:

- **Years 1-3:** RM99
- **Years 4-11 and Staff:** RM135

Please note that these prices are based on the number of school days in October, excluding the days when meals are not provided. Payment can be made via bank transfer to RC Kingdom Sdn Bhd (CIMB bank 8010993565) or QR & Touch&Go to +60197760916 (Ram Kumar a/l Rajah).

Thank you for your continued support. Please follow us on our social media channels, where we regularly upload school updates.

We look forward to a wonderful and productive year ahead.

Thank you.

Barnali Guha

Principal

Calendar

Dates to Remember !
